# INTRODUCTION

A Star Machines, founded in 2015. We are Manufacturers of SFX and Other Products related to the entertainment industry with the establishment of full responsibility, greatness, and transparency towards customers. In these years of business operations, we have expanded by giving the best memories of life to our customers. We conduct essential business for the people who trust us. All shipping to all over India originates from a manufacturing plant in Delhi.

# ABOUT US

Carrying a long period of trust with a cutting edge and current methodology, the brand holds an interesting viewpoint on the entertainment industry, making it a straightforward, hassle-free, and smooth cycle for every single client.
